Attn: Eileen Carrouth

Good Morning

I want to file a complaint against Morgan R Dunn who works for Brownlee Whitlow & Praet PLLC POB 62975 North Charleston, SC 29419.

I'm going thru and eviction and Morgan R Dunn is the attorney for the property in a filing to get my case dismissed Morgan R Dunn has completely lied to the Court of Appeals saying that I never served the Property a Motion that I filed even after I stated in the proof of service that I did, well not only did I mail a copy I also emailed the property a copy, and also sent the Court of Appeals a copy, on March 24th I went to the property manager about the lie and clearly the property manager showed me that she did received the copy from the mail and the email that I also sent , she didn't understand why Morgan R Dunn would lie about that in her filing, I also emailed Morgan R Dunn about her lying to the court trying to make me look bad and I also reported her to the Court of Appeals where my eviction case is in by sending them a copy of the email that I sent her. Now she has filed a motion to get my case dismissed and has told another lie to the court in her filing. Now I don't have a problem with anyone doing their job but when it comes to just right out lying on me that's where i have to draw the line. I have requested to the Appeal Court for her to be removed from my case as she's not a good representation for the property but I don't know if they can take her off of my case so I'm reaching out to the Bar Association to investigate her conduct as to the lying that she's doing. The three locations that this law firm has , have very bad ratings, also the Cary NC location a black lady put in her review out them being prejudiced now on top of that you have a lying lawyer not a good look for the real and honest lawyer. See attached email I sent to Morgan R Dunn. Because I will have her sitting in court proving these lies, she's not exempt from being taken to court because she's a lawyer.
