Dear Mrs. Toal,

RECEIVED

OFFICE OF  
CHIEF JUSTICE

Hello God Bless you, I hope that

this letter finds you in good health. I must admit that I really don't know if I'm addressing you properly, excuse me for my ignorance. Mrs. Toal I was informed by a friend to write you concerning my case. It has been well over a year since my lawyer (Katherine Hudgens) took any action concerning my case.

My first appeal was filed almost 4 years ago. I do believe that I have a good case, and I do believe that the arguments in it are strong. I have been patient as well as humble on my end, as far as my attorney goes. I received a 15 year non-violent sentence, in which

I have already served 4 yrs and 7 months on. Since I've been down, I have truly changed my life for the better. I'm taking a parenting class now, and I already completed an alcohol and substance abuse class. I have a 20 yr old daughter and a 1 yr old son that I love and miss very much. Will you please help me in any way you can to find out what's going on with my appeal? I know and accept that what I did was wrong, but I feel like the sentence was pre-determined as well as bias. My charge was burglary and non-violent, and although I do have a prior record, it's all nonviolent and the burglary conviction was my 1st. But I ask again, please help me because I feel like my attorney isn't doing her best to get positive results in reference to my appeal.

Attorney  
Katherine Hudgens esq.
