

To whom this may concern, I'm currently serving a 3 year 3-25-25
non-violent sentence I've had open cases in Spartanburg County &
Horry county since 2023 I've got court appointed lawyers that
I've wrote numerous of times so I can get all this behind me
before I max out March 2024 they have not responded
to any of my letters they also failed to present ~~present~~
treatment letters to the court that I was in rehab so that's
why I have warrants I have Elizabeth Tilly in
conway, S.C + a deal is on the table for a year
sentence I've had holds on me since 5/9/24 + 5/17/24
I mean if I can just get transported to court while I'm
already in prison + handle these matters so I can get out
and be free I have Charles Synder in Spartanburg County
in fact my case in Spartanburg is a probation violation which
my probation officer Agent Worthy is recommending they
terminate my probation + let me go because I've did
everything completed house arrest + got my (GED) + the
judge said he would cut my probation from 2 years to
1 year if I got my GED + I did. I'm also enrolled in
the jumpstart program threw the chapel + upon my release
they will be picking me up but with these holds + having to
go back to two different counties is messy things up
I'm asking to please help me get back transported to court
to handle these matters before my max out date please hopefully
I have better luck contacting you than I have trying to reach
my own public defenders please help me get in court and
handle these matters there 2 years old there is no reason why
I can't get transported to court I'm in tiger river Ct Jonathan Gray
that's Spartanburg County.
