I just want to follow up on the email that I sent this morning regarding the due date because I was told when I called in that everything would be to at the end of the month. So I just want to make sure because the wrong date is stamped on the paperwork because it was submitted online yesterday, that it doesn't make my paperwork late. Thanks again for all of your assistance.

Good morning, I just wanted to make sure that my filing is not considered late because it was submitted on the 30th. I know that you were closed yesterday but according to what I had read, if it's submitted on the date via email, it is considered filed on that date. Again, just want to make sure it's not considered late. Thank you for all of your help.
