The State, Respondent,

v.

Steven Frantz, Appellant.

Appellate Case No. 2023-000790

MOTION FOR EXTENSION

I am requesting an extension of time to subtract and add items on an amended record on appeal as the Court ordered on 10 MAR 2025.

I might also add, it took nine days for your ORDER dated 10 MAR 2025 to arrive, using up nearly 50% of my time with which to respond. I ask the Court to take this into consideration when time is of the essence.

Further, I ask the Court permission to be able to send correspondence via email, as well as United States Postal Service, in an attempt to expedite this process. My email address, which I give you permission to use, is sfrantz721@hotmail.com. I hope this helps.

Thank you, as always, for your time and patience with me on this matter.
