APPEAL FROM YORK COUNTY
Court of General Sessions

Honorable R. Keith Kelly, Circuit Court Judge

Appellate Case No.: 2025-000380

Case No.: 2021-GS-46-06555, -06555a

The State, Respondent

VS.

Rayquan Jamal Steele, Appellant

REQUEST FOR AN EXTENSION OF TIME

This letter is to inform the court that I am without a lawyer and I am proceeding pro se. My reasoning for this letter is to inform the court of my intentions of seeking an extension of time to file this extension based on Rule 29 of the South Carolina Rules of Criminal Procedure. A motion for a new trial based on after-discovered evidence may not be made while the case is on appeal unless the appellate court, upon motion, has suspended the appeal and granted leave to make the motion. This letter is asking for permission for an extension of time, to grant this pro se litigant permission to then turn around and petition the appellate court to suspend the appeal and for this pro se litigant to return to the lower court to address the claim of after discovered evidence. I hereby certify that the above matters are true and correct in asking the court to grant this motion for an extension of time.
