I have received your request for the transcript of hearing before the Honorable Kristi Curtis on November 18, 2024, in the above-referenced case. I have reviewed the records in this matter and estimate this transcript to total approximately 30 pages.

Based on our current rates, you may choose from the following delivery options:

- Non-expedited turnaround of 30 days \$4.25 per page = \$127.50
- Expedited delivery of 7 days \$5.00 per page = \$150.00
- Expedited delivery of 1 day \$6.00 per page = \$180.00

Please reply with your choice of delivery.

It is my general practice to require payment prior to delivery of transcripts. Upon receipt of your deposit, your chosen delivery time frame will begin. You may forward a check or money order written out to me to the address below within my signature. Electronic payment is available upon

request.

If you have been granted an order to proceed in forma pauperis, please include the agency who will be responsible for payment in your reply so that they may confirm payment arrangements.
