Hi Mr. Swerling,

I rec'd the below email.

I would like order the trial transcript in the above referenced case which I believe started on December 10, 2023 in Allendale County and concluded December 13, 2023. I believe you have already provided me with the transcript of jury selection.

I would also request that you provide me with the transcripts from the hearings on the Motion For A New Trial that took place on November 15 and December 5, 2024.

I am also requesting the transcript from the immunity hearing that was heard on March 20 and 21, 2023 before Judge Griffith.

Please bill me for the costs. Thank you.

I did the trial in Allendale before Judge Mullen 12/11-13 and provided you with the jury selection already. I now have your order for the entire trial. The total estimated pages is 600 pages, with 72 being previously transcribed. The ESTIMATE for the total transcript remaining is \$2244. I will bill you when it's delivered.

Thank you

Sharon G. Hardoon, CSR

I think I did everything except the trial. I was looking at this over the weekend. I have one of them transcribed already. It was the stand-your-ground hearing that was held before trial. I can send that one over at lunchtime and let you know about the other dates.
