~~and a need of your assistance to get~~ what was  
already back what was sent to me about 4 months ago!  
I've gotten a application for Federal Habeas Corpus  
and in needing information in to as regards of me  
following along to ~~complete~~ Complete the application  
to file for more means of ~~access~~ having access!  
Contesting my conviction of 30 years in the area  
of being the max and me being sentenced guilty but  
mentally I'll would like to beg you for acquittal  
from being remotely law ~~abused~~ being dismissed  
and seen getting sentenced or classified through  
Kirtland through being mentally ill I was  
sent to Gilliam Psychiatric Hospital to have  
~~been~~ classified unlike R+E reception and  
evaluation. As to go about getting the certiorari  
reviewed, How would I go about that as in getting  
a new one! And I'm filing a appeal on grounds  
of seeing the outcome of a redviation or lesser  
included offense be granted for me to halt the  
Johnson & Johnson ~~petition~~ ~~petition~~ petition  
to gain a copy to review and see why it was  
dismissed. I asked it be remanded for a  
new trial and it wasn't granted from McLeod

back to tyger river on to evers and now here  
 at Kershaw Correctional 4848 goldmine Hwy  
 I left evers in Feb. 1<sup>st</sup> 2025 with out my paper  
 work that was sent to me by Tommy Thomas and  
 the writ of Citiorial was left behind may it be  
 seen I dont have most of what it takes to even  
 file the Habeas Corpus / Please resend me the  
 copy of writ of Certiorari ~~so~~ <sup>so</sup> as to file a prose  
 Colaberation through most of what there is in  
 my case and being subject into running review!  
 That would be greatly appreciateed and would be  
 a big help! I dont have the stuff that was sent to  
 me even in 2018 while I was classified at  
 Grillam Psychiatric Hospital at Kirland Correctional  
 Facility after I was just sentenced on Sept. 2018<sup>11</sup>  
 like it or not I never ~~spoke~~ <sup>seen</sup> a state attorney  
 about even filing a appeal, im not to fond of ~~oo~~  
 writing to get my point as to being I never seen it  
 filed to where I would have a appeal! I was told  
 after getting a letter which was rec~~o~~ted by me to  
 a family member <sup>word from word</sup> to mindy where she said dont worry  
 everything will be taken care of! Right around when  
 I got my first remittitur in Nov.-Dec. 2018 while  
 I was at CPH before I went to Leiber where I got  
 Tommy A. Thomas for PCR (Post Conviction relief) he did  
 ok just alot to process with the forensic psycisist →

# The South Carolina Court of Appeals

Robert Cleveland Cribb, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2023-001719

---

## ORDER

---

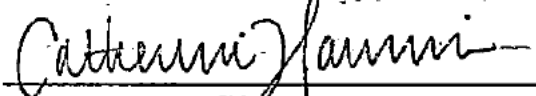

This matter is before the Court on a petition for a writ of certiorari following the denial of Petitioner's application for post-conviction relief.

Petitioner's counsel asserts that the petition is without merit and requests permission to withdraw from further representation. Petitioner has not filed a pro se petition.

Based on the vote of the panel after careful consideration of the entire appendix as required by *Johnson v. State*, 294 S.C. 310, 364 S.E.2d 201 (1988), the petition for a writ of certiorari is denied and counsel's request to withdraw is granted.
