

The South Carolina Court of Appeals

Martha Anne McDonald, Respondent,

v.

Boys, Arnold, & Company, Employer, and The Hartford,
Appellants.

Appellate Case No. 2012-208069

ORDER

Appellants have petitioned for rehearing from this Court's December 3, 2012 order dismissing this appeal.¹ After careful review and consideration, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. See S.C. Code Ann. § 42-17-50 (Supp. 2012) (providing for review by the Workers' Compensation Commission "[i]f an application for review is made . . . within fourteen days from the date when notice of *the award* shall have been given" (emphasis added)); see also S.C. Code Ann. § 1-23-380 (Supp. 2012) (restricting review of a decision in a contested case to a "final decision"). Accordingly, the petition for rehearing is denied.
