RE: Barbara Johnson v. McLaughlin Ford
Sumter County Summary Court Case No. 2024CV4310102595
Sumter County Common Pleas Case No. 2024CP4301368
SC Court of Appeals Case No. 2025-00242

Dear Ms. Johnson,

This court has received notice that you have contacted our office requesting a magistrate transcript of your hearings. As the summary courts are not a court of record and do not have court reporters, we do not have transcripts available for any cases heard before this court. The transcript request form you submitted is for use in Circuit or Family Court. Our court retains and can provide audio recordings of proceedings. We have already provided you audio disc copies of both the Public Sale and Summons and Complaint hearings before Judge Land.

Our office has ensured that you have been provided with a copy of every document within our court file, including the audio recordings of both cases. At this time, there is nothing else this court can provide you relating to your appeal. Additionally, please note this court does not have jurisdiction over your case as it is currently before the South Carolina Court of Appeals.

A copy of this letter is being provided to the clerks of both the Sumter County Court of Common Pleas and the South Carolina Supreme Court for their files.

W. Mattison Gamble
Chief Magistrate
