The South Carolina Court of Appeals

Robert Cleveland Cribb, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2023-001719

ORDER

This matter is before the Court on a petition for a writ of certiorari following the denial of Petitioner's application for post-conviction relief.

Petitioner's counsel asserts that the petition is without merit and requests permission to withdraw from further representation. Petitioner has not filed a pro se petition.

Based on the vote of the panel after careful consideration of the entire appendix as required by *Johnson v. State*, 294 S.C. 310, 364 S.E.2d 201 (1988), the petition for a writ of certiorari is denied and counsel's request to withdraw is granted.
