RE: McDaniel Jones, LLC versus City of Greenville; 2020-CP-23-05094

Ms. Hood,

I received the transcript request for the case referenced above. I have searched my notes and estimate the transcript will be approximately 46 pages for the hearing held on January 24, 2025. At the current rate of \$4.25 per page, the total amount due and owing before I can begin production of the transcript is \$195.50. If I have overestimated the number of pages, you will receive a refund. If I have underestimated the number of pages, you will be notified of the additional fees due and owing. Expedited is an extra \$1 per page to produce within seven days.

As soon as payment is received, I will have 60 days to complete the transcript. If an extension is needed, you will be notified. Please mail or drop off payment to me at the address listed above. All checks are to be made out to Julie Cendroski. Please let me know if you have any questions or concerns.
