S.C. SUPREME COURT

4-1-25

Dear Mrs. Patricia A. Howard,

Hope all is well. I'm writing this letter in reference to the letter that I received on 4-1-25 / Dated March 27, 2025.

In this letter it stated that Mrs. Lara M. Caudy submitted a petition for writ of Certiorari indicating that my appeal is without merit and moves to be relieved as my counsel. It also reads, "The records of this Court reflect that counsel served me with a copy of the petition and Appendix.

I'm sorry to inform you that I never received such documents (petition and Appendix) from Mrs. Lara Caudy. The only two letters I received from Mrs. - Lara Caudy was the SCDC Telephone Privilege Request that was dated 11-19-24 by Mrs. Caudy and Data Entry dated on 12-3-24

The second letter I received was a letter of representation dated on or round about October or November of 2024. This letter stated that Mrs. Lara - Caudy would be my appointed counsel. And that she was reviewing my case and would be filing a petition on my behalf. She said, "It would take a few months for the filing of a petition and a year after that for a response. The letter also stated for me not to file a petition pro se, to let her do her job, and that she have the say so of what goes on my petition, if I have a suggestion that she will take it in consideration but she decides. It also read, "that no matter if I call or write it will not speed up the process and said, "hope her letter answered all my questions.

Other than that I haven't received anything from Mrs. Lara Caudy. I don't know why she would falsely put on record that I have received the following documents, (petition and Appendix)

If there is any way that I can
be appointed a new Counsel in this
matter, can you please inform me.

Thank you,
Malcolm Orr
