

The South Carolina Court of Appeals

Molly M. Morphew, Appellant,

v.

Stephen Dudek and Doreen Cross, Respondents.

Appellate Case No. 2023-000879

ORDER

On November 19, 2024, this court granted the motion for costs filed by Respondents in the amount of \$1,000 against Appellant. On February 24, 2025, Appellant filed a motion to set aside the order granting costs, arguing Respondents served Appellant at a former address. Respondents did not file a return. After careful consideration, we grant the motion and vacate the order for costs. We note Appellant sent a letter to this court on July 15, 2024, indicating her change in address; the letter indicated Respondents received a carbon copy of the letter. Within ten days of the date of this letter, Respondents shall serve the motion for costs on Appellant and file proof of service with this court. Within ten days of the date of service of the motion for costs, Appellant may serve and file a return. If Appellant files a return, any reply is due within five days from the date of service of the return. Upon the expiration of the time for serving and filing as discussed above, this court will consider the motion for costs.
