I Sherita Ward contacted Summerville Station via email

March 4th stating my taxes was not released from
IRS. 9:29 am. I also resent them an email today
letting them know my audit was still under review.

I did pay the 1st payment as agreed. I just needed
more time I have been out of work due to illness
of children. I agree to pay in full as soon as I get it. The
judgment was too much in a short time to pay. I am
awaiting a lump ~~sum~~. My car was wrecked due
to someone hitting me and the time frame threw
my finances off. It's not like I didn't pay anything.

As I stated I paid the original payment 1st.
