Re: *Saket Singh v. Anesthesia Associates of Rock Hill, P.A.*
Appellate Case No. 2024-002021
C/A No. 2024-CP-46-03641

Dear Ms. Kitchings,

This is to provide you with Appellant Anesthesia Associates of Rock Hill, P.A.'s 60-day status report pursuant to your letter to the parties dated February 11, 2025.

On January 22, 2025, Saket Singh, M.D., Appellee, filed an amended complaint in the above-referenced matter adding multiple claims and four individual defendants to the action. On February 6, 2025, the defendants removed the case to the United States District Court for the District of South Carolina. On February 12, 2025, Dr. Singh filed a motion asking that the District Court decline to exercise supplemental jurisdiction over the state law claims, and remand them to state court. On February 21, 2025, the Defendants filed a Motion to Dismiss, or in the alternative, stay the action and compel arbitration. On March 20, 2025, the Magistrate Judge issued a Report and Recommendation on both motions, and the parties have finished briefing objections to the Report and Recommendation. The Magistrate Judge's Report and Recommendation is now before the United States District Court Judge for a decision.

If you require additional information, please do not hesitate to let us know.

Sincerely,

**VAN HOY, REUTLINGER, ADAMS,
