RE: John Dong, M.D., Ph.D., v. The Medical University of South Carolina,
Appellate Case No. 2023-001733

RECEIVED

Apr 08 2025

SC Court of Appeals

Dear Honorable Clerk:

I would like to submit the Proof of Service for the twice-revised Record on Appeal based on the Respondent's Second Motion to Strike, as requested by the Court in a correspondence dated March 25, 2025.

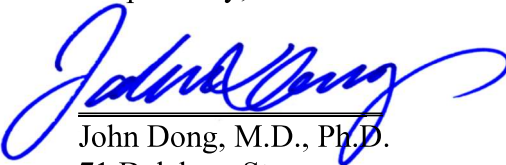

However, I did not intend to file a motion to amend the Record on Appeal. I prematurely filed the twice-revised Record on Appeal due to my misunderstanding of the Court Order granting Respondent's first Motion to Strike and requiring Appellant to submit a Remanded Record on Appeal, issued on January 31. As a pro se appellant, I thought this Order also granted Respondent's second Motion to Strike filed on December 9, 2024, to which Appellant submitted a Response in Opposition on January 30, 2025. The revised Record on Appeal included all the documents

requested in Respondent's Second Motion to Strike. In addition, I filed the Appellant's Final Brief based on the twice-revised Record on Appeal.

It is now clear that the Respondent's second motion to strike is pending the Court's decision, and the appeal is held in abeyance.

Once the Court makes its decision, I will request permission to amend this filing in accordance with the Court's order.

Respectfully,

John Dong, M.D., Ph.D.
