RE: Michael Perry v. American International Industries., et al.
Appellate Case No. 2025.000065
NMRS File No. 003501.01982

Dear Ms. Kitchings:

Appellants respectfully request a 30-day extension of time to file their Initial Brief and Designation of Matter. This is Appellants' second request for extension of these deadlines. The basis of this request is that: (1) the undersigned has a date certain trial scheduled in the Lexington County Court of Common Pleas for the week of April 21 to 25; (2) Attorney Brown has a trial set to begin on May 5 in the Hampton County Court of Common Pleas that is estimated to last a week and a half to two weeks; and (3) numerous other deadlines and work obligations.

Appellants' current deadline is May 2, 2025. If the Court grants this extension, the Appellants' initial brief and designation of matter would be due **June 2, 2024**.

Our check in the amount of \$50.00 will be hand delivered to the Court via separate cover. The undersigned asks that the current deadline be held in abeyance as the Court considers this request. Thank you for your consideration.

With kind regards, I remain,

Very truly yours,

s/ Blake T. Williams
