Good afternoon Mrs. Kitchings!

I hope this finds you well and off to a good week. I was wondering if you could help solidify my understanding on a filing.

I have a petition for rehearing due in the next day or two that I have been preparing. I'm wanting to make sure I am in compliance of course.

The decision was rendered and we received it April 2 (In the Matter of James Marshall Shoemaker, 2022-001665). As you know, the rule states the petition for rehearing must be 'actually received' by the Court of Appeals within 15 days. My questions:

1. Am I correct that April 17 is the deadline?
2. Is 'actually received' satisfied by email to you, and can I then contemporaneously mail the physical copies required and fee?

Thank you very much for your assistance.

Sincerely,  
Will
