RE: APPELLATE COURT CASE NO. 2013-001441

MESSAGE:

This is to inform and request as follows:

I have not been successful in obtaining affordable counsel and must continue pro se with this appeal. I requested the transcript and cost from the court recorder (Susan Hutchins) on September 10th. I paid for the transcript on September 19, 2013. Ms. Hutchins has informed me that she will require thirty to sixty days to produce the transcript. I await receipt thereof.

Please inform me as follows:

- 1. I need to know the current time frame for submitting my Appeal based on receipt of the transcript.**
- 2. I also need the form or format for filing the following request for relief from judgment. I can't seem to find one in the forms file.**

**APPELLANT'S MOTION
PURSUANT TO RULE 12 & 62 INCLUSIVE
FOR STAY OF PROCEEDINGS TO
ENFORCE A JUDGMENT**

**FOR ORDER OF SUPERSEDEAS,
OR STOP ORDER (OR WHATEVER)
TO SET ASIDE OR ABEY JUDGMENT**

**MOTION FOR ORDER TO CEASE & DESIST
(UNCONDITIONALLY)**

**MOTION FOR COURT'S CONSIDERATION
FOR CONTEMPT CHARGES AGAINST
ROY C. IRBY II AND COUNSEL OF
RECORD FOR ROY C. IRBY II**

I prepared the above to be filed with the trial court but I have been informed that is not the correct procedure because of the active appeal.

I apologize for the inconvenience but I would rather get things straight now than generate errors later.

Thank you.
