Good afternoon,

My time in which to prepare the transcript does not begin until I receive payment. I received payment for this request March 31, 2025, making the transcript due May 31, 2025. I will be filing extensions on this request. I have 3500 pages in typing at the moment, 2000 page pending prior to this 1500 page request. I am looking at a 6-9 month timeframe in getting transcripts out due to my court schedule and typing load.

Sincerely,

April P. Herron

Hey April,

We just got this letter from the Court of Appeals. Can you please give us an update on when you expect the transcript to be completed? I think the Court of Appeals might require you to request an extension. We consent obviously and you're probably already aware that extension requests are routinely granted. Thanks!

Adam
