Derek J. Brown, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2025-000564

ORDER

Petitioner filed a notice of appeal from the denial of his second application for post-conviction (PCR) and an explanation required by Rule 243(c), SCACR. Petitioner has failed to show that there is an arguable basis for asserting the denial of his second PCR application was improper. Therefore, we dismiss the notice of appeal pursuant to Rule 243(c), SCACR. The remittitur will be sent as provided by Rule 221(b), SCACR.
