Court Reporter

Dear Ms. Frierson,

This correspondence is being provided to your office on the account that I have been unable to secure the hearing transcript which is now very much needed in order to execute the appeal process.

On August 15, 2012, a hearing was held in the matter currently before the South Carolina Court of Appeals. I have been directed on several occasions to provide the Court of Appeals with a copy of the transcript. I made several written requests to Ms. Johnson for the same, with no avail. I mailed my requests to the address provided to me by the Greenville County Clerk of Court, as well as the same information obtained from the S.C. Court of Administration.

It is my sincere hope that your office would please assist me in obtaining the requested transcripts before there is any adverse action by the S.C. Court of Appeals in this regard. I do not have any additional contact information for Ms. Johnson.

I will forward a copy of this letter to the Honorable Judge Verdin, as well as copies of the attachments. Thanking you in advance for your cooperation and assistance.

Very Truly Yours
