Appeal From Richland County

Case No. 2023CP4006332

Appellate Case#2025-000216

RECEIVED

APR 25 2025

SC Court of Appeals

Erian Jerod Williams Respondent

v.

Andria Bucknor Appellant

Motion to Recall Remitter(3rd Amended from March 25, 2025)

I originally filed the Notice of an appeal along with the initial brief on January 17, 2025 which was not clocked in at that time. Only one page was clocked in. When I did the document for February 4, 2025 I just resubmitted all documents along with other documents that were also not clocked in. I also filed a motion asking the court to add in missing documents which was the notice of appeal/motion to change respondent name. On February 27, 2025 I brought in proof of all documents that were filed on January 17, 2025 which included the **Initial Brief, Notice of Appeal, Motion to add in Missing Documents/Motion to change Respondents Name** And **proof of service** for documents being sent on January 17, 2025. I will also bring in proof again I'm not sure of why it's still not clocked in. I have shown proof where only one page was clocked in and not entirely. Please take this into consideration.
