**Amended Notice of Appeal**

IN THE COURT OF COMMON PLEAS  
GREENVILLE COUNTY, SOUTH CAROLINA  
CASE NO.: 2024CP2305217

DISCOVER BANK,  
Plaintiff,

v.

CHRISTOPHER S. LAWTON,  
Defendant.

**AMENDED NOTICE OF APPEAL**

NOTICE IS HEREBY GIVEN that the Defendant, Christopher S. Lawton, In Propria Persona, hereby files this Amended Notice of Appeal to the South Carolina Court of Appeals, correcting the judicial officer identified in the original Notice of Appeal.

The original Notice of Appeal, filed regarding the judgment entered on or about March 31, 2025, incorrectly referenced the presiding judicial officer. The correct judge who entered the judgment is The Honorable Judge William C. McMaster, III, in the Court of Common Pleas for Greenville County, South Carolina.

All other details of the original Notice of Appeal remain unchanged.

This appeal is based on procedural errors, including but not limited to, deprivation of due process, improper grant of summary judgment despite material factual disputes, and the Plaintiff's failure to timely submit a formal order within the Court's directed timeframe.

Dated: 04/30/2025

Respectfully submitted,
