Re: *Murphy v. All Seasons Healthcare Inc.*  
C/A No.: 2023CP4003086

Dear Ms. Kitchings:

Appellant named above respectfully requests a 30-day extension of time to file her Initial Reply Brief and Designation of Matter in the above appeal. This is the first extension request for this brief. The additional time is sought based on the undersigned's workload. Respondent's brief is currently due May 1, 2025. With the additional time, Respondent's brief will be due June 2, 2025, as May 31 falls on a weekend. Appellant has consulted with Respondent regarding this extension and there was no objection to same.

My firm's check in the amount of \$50.00 will arrive by First Class Mail to cover the required filing fee. Thank you for your consideration of this request. By copy of the transmitting email, I am serving a copy of this Motion on Respondent.

Yours very truly,
