Mrs. Johnson,

Attached are the two audio recordings that were on the original disc provided to you in February and the copy you picked up earlier today.

These are being emailed at your request per your letter dated April 15, 2025.

I have listened to both recordings and surmise that Judge Land ended the public sale recording by accident as only two of the cases are heard on the recording. However, it is also my understanding that the public sale between you and McLaughlin Ford was not heard by the court that morning. I have checked with County I.T. and there are no other recordings from either court session concerning your cases.

I have copied Attorney Jordan on this email to avoid any appearance of ex parte communication.

Thank you,

-Judge Gamble
