MOTION

Appellants move for an extension of thirty (30) days in which to serve and file the Appellant's Initial Reply Brief. Due to counsel's present caseload combined with the size or the record in the present case and additional research and briefing is needed to brief and complete the record on the very important land use planning issues of this appeal.

Counsel certifies that an extension of time is necessary to present the issues in this case properly and is not intended to cause undue delay.

Respectfully submitted,

Robert C. Childs, III, #1218
