MOTION FOR EXTENSION

Appellant has received notice from the office of the Court of Appeals that several errors and insufficiencies are evident in the Record on Appeal and Final Brief, and by letter dated October 2, 2013, the Appellant was given 10 days to rectify same. Appellant's attorney's office has received an email on October 7, 2013 from Nicolas Haigler, attorney for the Respondents, that he has noted errors in the Record on Appeal, specifically pages that should not be a part of the

Record on Appeal, and therefore the Record on Appeal is not in compliance with the Appellate Court Rules. In removing pages from the Record on Appeal, the pages would have to be renumbered, and references to the new page numbers would have to be changed in the Appellant's Final Brief as well.

I respectfully request a 30-day extension to correct the errors on the covers, and to reconstruct and resubmit a new Record on Appeal and Final Brief to this Court and to the attorney for the Respondents, so as to be in full compliance with the Appellate Court rules.
