Re: Morgan v. Gilbert, et al.  
Case No.: 2024-000322

Dear Ms. Kitchings

I am responding to Mr. Grimball's letter of May 1. I disagree that the general provisions of Rule 240(f) control the deadlines in this matter, which is specifically governed by the specific procedure outlined in Rule 241(d). That said, even if Rule 240 applied, the Court may consider the responses and the additional information provided in the supplemental affidavit as helpful in deciding this matter and in the interest of justice.

I appreciate your assistance, as always.

Best regards,
