Appellate Case no# 2012-210830

Appellate Attorney

Kathrine Hudgins Esq.

(To: The Court of Appeals)

Pro-Se Motion Requesting Time Extension
to properly prepare my Ander's Brief Amendment due
to being in MAX Lock up in Lieber Prison.

I Humbly Ask the Court of Appeal Judges For A time Extension due to the Continuing Amount of lock Down time At Lieber Prison (Due to Stabbings). I have written the Clerks Office At the Court of Appeals in Columbia SC Also Asking For A time Extension, but I have not gotten any response on the time Extension at this time. I have been moved to MAX Lock up where I Am further hindered From properly preparing my Ander's Brief Amendment For lack of LAW Books, LAW Library folders, And the LAW Library Computers - All of which Aid me with the proper Case Laws to properly prepare this pro-se Brief. I do have limited access to these now though. I humbly request A 60 Day or 90 day time Extension to Finish properly preparing this Ander's Brief Amendment Please Your Honor.

Respectfully Submitted to you
Your Honor
