Dear: Court of appeals @ Catherine S Harrison, Chief Deputy Clerk & City Of Hanahan
(Mayor Christie Rainwater)

**I previously sent \$50,00 for court fees I sent an additional \$50,00 Tracking#
9589071052700041767686**

**This fee will be to cover any form of relief order the court considers
After doing my due diligence I have identified the source of the reason for the
City of Hanahan Not settling this civil Matter (Hood Law Firm)
They allowed an unethical greedy inexperienced Attorney to Handle a Severe
Matter that Required Experience.**

Rick Gebhardt Chief of Hanahan Police Department was the only 1 of the 3 Parties
to Show Compassion for what his department has Done but the City of Hanahan

Finance Department is in charge of settling Civil Matters Hood Law Firm is Just like Every Attorney in South Carolina they don't care about what Laws they Twist or Victims they Hurt it is all About winning the case and Making Money off Billing They Don't care about the Emotional Abuse I'm receiving during this case.

This Case is Traumatic & I require a 3-year sabbatical with My Counselor Eve Carey that will Require \$500,000 for the Treatment required to Heal from This case.

The ODC has a Disciplinary Counsel who oversees a staff of attorneys that review, investigate, and prosecute lawyer and judicial misconduct matters. so I will allow them to Prosecute Hood Law firm when I Submit My Complaint's I am willing to Not Involve Both Berkeley County Judges in this matter if the Court of appeal Grant me a Relief order that will allow the City of Hanahan finance department to pay me a settlement on behalf of all 3 Parties Involved at \$1000,00 per day.

Hanahan Police Department Currently Owes per the first hour of Misconduct by the Officer Who loss her Badge because of the Mental break Down received that has Gotten Worse
A Total of (8785) Hours Confined Equals \$ 8,784,000 Plus Loss of Housing, Government Benefits, Health Insurance for Mental health treatment & Court fees Punitive Damages

Hood Law Firm Is a Law Firm Full of Cowards Who Knew If This Case was in front of an unbiased Impartial Trial who is Not controlled By Their power, They Would not be Like Berkeley County Judges They Not only failed to let the District Court or any Court such as the Court of appeal know that all party's loss they Job & the Officer Displayed so much Gross Negligence in this case she lost her Badge.

Hood Law Firm made it seem like the City of Hanahan Agree with their greedy unethical behavior to take advantage of My Lack of legal Compacity at Mediation & try to get me to Settle for \$1000,00 knowing the Meditation was being Done inside of a Mental hospital after I was Diagnosed insane

The Problem is Not all 3 parties involved its Hood Law Firm I called & spoke to one of their attorneys he said he had Nothing to talk about he Believes Because I am representing myself Hood Law Firm is above the Law & The Court of Appeal Will Bow to Their Authority Just like Both Berkeley County Judges but the Court of appeal don't Work for Hood Law & I believe they will do the Right Thing unlike Both Berkeley County judges.

I am Willing to let this case go & sign this agreement for (\$3,500,000) that will include the City of Hanahan & Hanahan police Department as well as Berkeley County I wont file a Complaint against Judge Young or Judge McCoy, my Complaints will be Solely Focus on (Hood Law Firm)

Please Don't allow Hood Law Firm to Profit off My Pain & emotional Stress Lawyers are leaches they are Not like Law Enforcement & people Who respect the Law They get Paid to Protect the Guilty

Humbly Submitted Muhammad Nathaniel Wilson Pro se
8082 Rivers Ave North Charleston Sc 29406 843-468-3432 or
creyolab@gmail.com If the City of Hanahan Wish Not to waste the Court

Time & my Time Please have mercy on me this is Not extortion if I Was White with an Attorney representing me & the Victim was a White Child Would the City of Hanahan Agree with what Hood Law firm Did my Amended Final Brief is 100% Facts that's Why Ellen Lanphere is no longer a Police Officer

(5) Creyola Boss 3%Nation Corp is a Non-Profit Organization *the Appellant/Plaintiffs* will use the funds to invest in that will include Musical outreach Programs that will Give Back to a diverse group of Law-Abiding Citizens That will gladly cooperate with Law Enforcement

The Emotional distress has increased because of the Respondents/Defendants attorneys Hood Law Firm; Who used His Own Clients Employee to place an Order that Rejected the right to a Fair Trial in spite of Court Rules because of Both Judges Refusing to Recuse Themselves under Hood Law Firms Misrepresentation.
