Just to update. We have again reached out to the transcriber to receive price of transcript and where to mail the money order.

We also are waiting for a 10 day written notice to advise on whether we have to file actual Orders, because we are alleging major fraud, Racketeering, collusion, bribes, and other judicial and attorney misconduct during the underlying proceedings and even before the case was even filed when judges and other state actors were acting as defendants w the underlying defendants in our situation at least 7 months before we even filed the case in common please court and constitutes denial of due process UNDER SC Constitution Art 1 Sec 3 and the 14th Amendment to the U.S. Constitution and therefore the entire case needs to b reviewed as fraud on the court and even more so against Plaintiffs unalienable rights that cannot b taken away or granted by any man made law as they are not gifts from government but natural, human rights to Man.

Please let us know in writing w notice and date due if under these circumstances we need any filing of orders as our first brief...if more time and space granted through our motion, will cover these points as part of our written appeal, and we must review the entire case to bring forth such a document which will b work and time heavy....not a 10 day cure type filing.

Thank you.

Dr. LINDA KENNEDY
DR. MARSHA FINK

Timely filed Dr. Linda Kennedy and Dr. Marsha Fink v. Lake Hartwell RV Resort and Cabins, LLC, et al, 2022 CP 0400592, 3/17/22, appealing from the 10th Circuit Common Pleas Court, Anderson County. We understand we may have to file Orders as we just learned today, within 10 days of the notice from your office.

We are working on that starting tomorrow. Thank you.
