Dear Ms. Kitchings — please find attached a Notice of Appeal that is identical to the one timely filed yesterday save for the appellate case caption, which I've updated to more precisely reflect which parties are Defendants (including some who have not appealed) and which parties are Defendants and Appellants.

No change has been made to the document other than the caption. I trust this document will conform more closely to the practice of the court in assigning appellate case names and captions. I ask that you substitute it, mutatis mutandis, for the Notice timely filed yesterday.

By copy of this email I have copied the parties' counsel.

Respectfully,

Miles

Dear Ms. Kitchings — please find attached for filing a Notice of Appeal, a Proof of Service of same, and copies of the Orders giving rise to the appeal. A copy of the Notice of Appeal will also be filed at the lower court.

A firm check in the amount of \$250 will be placed in the mail to you for the filing fee. I have copied Court Administration on this filing email; however, Defendants are already in receipt of the transcripts from the two hearings held by the trial court related to the two Orders being appealed.

We ask that you file these documents and, at your convenience, return copies to us electronically bearing the Court's file stamp. If we can provide any additional information, please do not hesitate to let us know.

Respectfully,

Miles Coleman
