S.C. SUPREME COURT

RE: MOTION FOR AN EXTENSION OF TIME.

The foregoing petitioner, Dontavious R. Mack, #323350, hereby petitions to The Supreme Court Of South Carolina. That he is in dear need of an extension of time due to the recent and occassional lock downs here at Lee Correctional Institution he is unable to properly perfect his issues he wants to raise. The Supreme Court Of South Carolina granted the petitioner forty-five (45) days from September 17, 2013 to file his pro se response to his Johnson petition.

The petitioner is a pro se litigator and is working diligently on his case and the time for his pro se response is due by November 1, 2013. The Chesterfield Unit which I am housed is on lockdown status and the petitioner is unable to utilize and research his case in the Law Library. The petitioner is only given one (1) day out the entire week to properly research his case. See: Exhibit A.

So for the foregoing reasons pointed out in this motion. May the petitioner be afforded an additional thirty (30) days to perfect his pro se brief.

Respectfully Submitted,

ISI: *Dontavious Mack*
