RE: State v. Antwan Demetric McMillan – Appellate Case No. 2024-000432

Dear Ms. Kitchings:

On May 15, 2025, this Court sent a letter to the parties in the above-referenced criminal appeal indicating an exhibit labeled Plaintiff's Exhibit # 1 was delivered to the Court, noting that exhibit was designated by the State as State's Exhibit # 1, and asking the parties to alert the Court if they have any concerns about the delivered exhibit. Please be advised the undersigned counsel for the State has now reviewed the exhibit labeled as Plaintiff's Exhibit # 1 that is in the Court's custody, and, based on its contents, it appears to be the exhibit that was admitted during the July 2023 motion hearing as State's Exhibit # 1. Accordingly, the State has no concerns with the exhibit labeled as Plaintiff's Exhibit # 1 and believes it is a true and accurate copy of State's Exhibit # 1. Thank you very much, and, if you have any questions or concerns or need any further information, please do not hesitate to contact me.

Sincerely,

Mark R. Farthing
