**ANSWER TO 3RD MOTION TO DISMISS**

---

Appellant, Milton A, Gatlin hereby requests Respondent's Motion To Dismiss be denied based on the following. First, this is the Respondent's 3rd Motion to Dismiss which is an indication the Respondent has no defense. Second the Respondent's initial brief is riddled with fabrications. This is evident due to the fact dates are not included. Appellants' final brief will include dates that are backed up with proof.

In addition Respondent provides incomplete information which is intended to mislead the Court.  
Complete factual information will be provided by the Appellant.

Respectfully submitted,
