

To whom it may concern,

Due to my current incarceration at AL Cannon Detention Center 3841 Leeds Ave. North Charleston S.C., 29405 which I have been incarcerated for 2 years. Due to this I did not receive the deficiency letter that was sent out. I am requesting for a extension of 2 months so that I can execute any ; all deficiencies. The institution I'm currently being held does not accommodate all my legal needs. I ask that this be given consideration ; my request be granted.
