Dear Clerk Harrison

It is with great concern I write this letter.

On January 17, 2025 I sent to your Court the Designation of matter and Appellants initial brief, On March 20, 2025 Sent to your Court Org. record on Appeal and the Final Brief. Please note that each Documents Submitted I requested Clocked Stamped Copies, and as of today I have not received any copies or any Correspondents from your Court of the respondents.

I do understand that the U.S. mail is slow but this is ridiculous.

If you have not received any of the documents please advise me of the course of action.

I must take for your Court to receive the documents. Is there a federal offense for interfering with the U.S. mail?

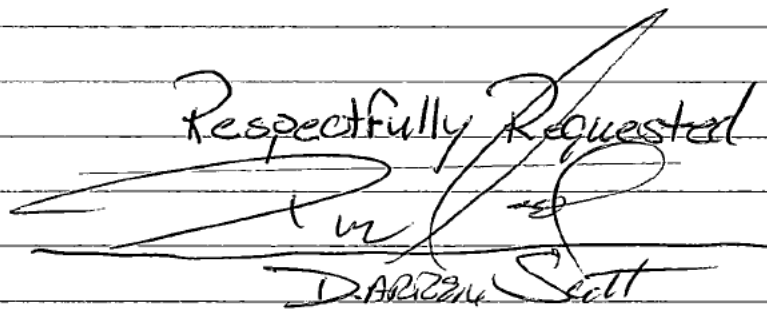

On May 5, 2025 or May 6, 2025 my sister called your office and they stated that they have not received any of my documents.

All of the documents was sent from the Allendale's Institution mail room, on said dates. The institution mailroom clerk is stating that we can send documents to your court, through Inter Institutional mail, to the Court of Appeals.

IF you can help me in this matter it would be most appreciated.

As always Thank you for your time.

Respectfully Requested
