

The South Carolina Court of Appeals

The State, Respondent,

v.

Steven Frantz, Appellant.

Appellate Case No. 2023-000790

ORDER

On April 17, 2025, Appellant filed an amended record on appeal. On May 6, 2025, Respondent moved to strike the amended record on appeal because Appellant (1) "failed to include the items in [Appellant's] amended designation of matter," (2) failed to include the magistrate's return and notice of appeal from the magistrate's court documents, which were designated by Respondent, and (3) included a notice of motion scheduling on March 10, 2022, a notice of motion scheduling dated December 15, 2022, a letter from the Jasper County Clerk of Court dated June 5, 2023, and a notice of appeal dated May 8, 2023, which were not designated by either party. Appellant did not file a return. After careful consideration, we grant Respondent's motion to strike. Within ten days of the date of this order, Appellant must serve and file a second amended record on appeal that complies with Rule 210 of the South Carolina Appellate Court Rules. *See* Rule 210(c), SCACR (explaining that "[t]he [r]ecord on [a]ppeal shall include all matter designated to be included by any party under Rule 209," and "shall not . . . include matter which was not presented to the lower court or tribunal"). Failure to comply will result in dismissal of the appeal.
