SC Court of Appeals

*The State of South Carolina  
In The Court of Appeals*

*Appeal from Berkeley County  
Court of Common Pleas*

*Judge Jennifer B McCoy, Circuit*

*Judge*

*Case No. 2022 CP-08-02508  
Appeal No. 2023-001837*

*Muhammad Nathaniel Wilson Pro Se*

*Appellant,*

*Vs,*

*Hanahan Police Department &  
Other Law Enforcement Officials*

*Respondents,*

**Appellant Return to the respondent's request that the Court deny the Motion for reinstatement as well as the most recently filed motion**

**Wherefore, based on the foregoing, the appellant respectfully Beg the court to not ignore everything Respondent's Hood Law firm has Done**

**15-3-40 Exceptions as to persons under disability**

The Court of appeal has shown tolerance's & leniencies based on mistakes Made by Hood Law firm

If Hood Law Firm would not have used inadmissible Evidence what case would the respondents have?

Berkeley County allowed Hood law firm to get away with Conflict Interest.

If the Statue of limitation is suspended until I am seen by a doctor what is the argument about?

If Hood Law Firm Knows the officer made a False arrest, why do they not understand Mentally disabled Black lives

Will the Court of appeal ignore them hiding Evidence that Supports a Settlement?

Hood Law Firm believes Black Mentally Disabled Men Should Not receive Compensation Because no Attorney is representing them if that's not Racist, I don't Know what is.

If the Appellant was White & the Victim was White, I suspect Hood Law firm would have No problem Paying any Settlement.

How does this section apply?

- The time of the disability is not part of the time limit for starting the action.
- The disability cannot extend the time limit by more than five years, except for infancy.
- The action must be brought within one year after the disability ends.
- For example, if property damage occurs when the owner is under 18 or insane, they have one year to file a lawsuit after they turn 18 or are (**declared sane.**)

I am truly appreciative for the Court of appeal following the Rules & showing Accommodation's to someone who is mentally disabled Hood law firm & Mayor Rainwater type of people are still mad about Blacks receiving Civil rights & it seems unfair to their kind.

(Rick Gebhardt) (Chief of Hanahan is an Honorable Man who do not Stand for Corruption: Thankfully God has placed a real Man of God as the Chief.

Based on Both Charleston County & North Charleston County police officials, as well as Judge warring Positive impact I would like to show my appreciation for my allies support I am willing to accept any payment to begin Working with the different police

department outreach programs.

Furthermore, I understand that Judges make mistakes just like police officers do So, I do not wish to discredit Judge McCoy or Judge Young name.

I am Trying to receive treatment at a Mental health Hospital subsequently because of this case & Hood Law Firms Legal Malpractice, Gross Negligence & hate towards Mentally Disabled Black witnesses I can't afford treatment so let the Record Show I have Been Homeless since this Case & the Court fees are Money, I should be using to get a place to Stay & I am Suffering I Require Housing & relocation away from everything

**(3) Hanahan police Settlement Debt. eight million, seven hundred eighty-nine**

*(a) Appellant /Plaintiff based this amount off the number of hours held for the ransom of (\$75,000 inside of Berkeley County Jail)*

*(b) Conflict of interest created BY (Hood Law Firm) forcing me to represent myself in this case in spite of Severe Emotional Trauma*

*(c) Based on a (Former Hanahan Police) False arrest & subsequently*

*(d) (Berkeley County) provided ineffective incompetent counsel & Both Judges failed to Recuse themselves & ignored the ADA*

(e) The Creditor agrees as part of this Agreement they shall be accepting the last payment for the satisfaction of the Present Debt, hereinafter known as the "Settlement Debt". This Settlement Debt shall be in the amount of \$\_three million five hundred thousand or \$3,500,000.

**(f) ADA Title II: State and Local Government Activities**

**(g)** Title II covers all activities of State and local governments regardless of the government entity's size or receipt of Federal funding To ignore the ADA thinking its okey because I am representing myself Black & Mentally Disabled only supports discrimination.

**To Whom it may concern @ the city of Hanahan  
Finance department**

Hood law Firm has Hypocritically complained about the only reason for not paying a Black mentally disabled witness to a 9-year-old child being abused mentally Physically & Suspected Sexually

**1# a mentally disabled black witness who lacks the legal compacity improper filing of the record on appeal**

Subsequently Consolidated evidence Supports Legal malpractice, discrimination, & gross negligence as well as unethical behavior by the attorneys who represents Berkeley County, Hanahan police department & the City of Hanahan

Exhibit 1

Fraudulent Statement being used to delay settlement

Discrimination by taking advantage of my lack of legal compacity while being held in a Mental health hospital for the emotional distress

The openly Conflict of interest that resulted in Judicial Misconduct by Both Judge Young & judge Mccoy

Exhibit 2 with holding Evidence from the Federal Court, Berkeley County Judges & the Court of appeal

Exhibit 3 Acknowledging Mental health evidence but refusing to allow the Court to accommodate

I have Spoken with People from Hood law firm & the City of Hanahan But because of My Skin Color they believe I don't deserve any Compensation to their people my freedom is Worthless to people Like Mayor Rainwater & Hood law firm who don't understand that (Mentally Disabled Black Lives Matters)

(The law is not Based on Skin Color unfortunately For Hood Law firm & Mayor Rain water)

**Dear: Catherine S Harrison, Chief Deputy Clerk** I am attempting to resolve this Matter with the City of Hanahan Finance Department Please Let the court record Show that all Parties are Aware of my Mental health disabilities,

Subsequently only the Respondent Hanahan Police Department Chief has displayed Honor by Disclosing the Evidence that Hood law Firm has been Hiding from all the Courts that the Officer lost her Badge because of Her false arrest made on me.

What Hood Law Firm Don't Know is what I know & the Chief of Hanahan Police Knows the Child has already Corroborated my statement of Abuse by Her mother Not Only Did Hood Law firm use inadmissible Evidence, it was also illegal Evidence subsequently the Officer statement was Part of the reason for her losing her Badge.

Subsequently Hood law Firm & Mayor rainwater won't accept that Black Mentally disabled lives matter, Hood Law firm Knows That South Carolina Attorneys Only like to Make Money off Blacks when if we are breaking the Law.

Hood Law Firm & the City of Hanahan, has no Sympathy & believe because I am representing myself Pro se they will use my Mistakes to get away with Not paying me, just like So many other Victims that are Black & Mentally Disabled it is unfair that the mayor pays Hood law Firm using the City of Hanahan Funding.
