HEARING AND ACKNOWLEDGMENT
OF NOTICE**

You are hereby directed to appear at a Probation/CSP Violation Hearing in General Sessions on May 16, 2025 a 8:30 AM am / pm in Union County Courthouse, Union, South Carolina.

You may have an attorney represent you at this hearing. If you cannot afford an attorney and you desire the representation of the Union County Public Defender, you must apply for an appointed attorney with that office. If you choose to appear at the hearing without an attorney, you may be required to represent yourself. You are hereby advised that there are dangers and disadvantages to self-representation. An attorney may better understand courtroom procedure and may be better able to think of and present defenses to your violations. By appearing without an attorney you are acknowledging these dangers but are knowingly and voluntarily choosing to proceed without counsel.

At the violation hearing you will have an opportunity to speak, and you may present witnesses or documentary evidence on your behalf. If requested, you will also have an opportunity to confront and cross-examine any witnesses called to testify against you; however, the Department may elect to present affidavits of witnesses or police officers in lieu of testimony. State v. Pauling (Ct. App. 2006). It is your responsibility to have your witnesses and attorney present. If you are released on bond prior to your hearing date, you must report to the Probation Office immediately upon your release.

You are required to be present at your hearing as scheduled above. If you do not appear, a bench warrant or a failure to appear warrant will be issued for your arrest. Furthermore, the Court may choose to proceed with the hearing in your absence. This directive remains in effect until you are granted leave by the Court.

This directive has been read to me and I have been provided with a copy. I was also given an opportunity to ask questions about this directive before it was signed.

[REDACTED]	Victim
Amanda Greer	Victim Advocate

Hearing Officer's Findings:

I find that Charles Ivey violated conditions 3, 7, 9, and 10 as set forth in the affidavit dated January 30, 2025; such conditions having been contained in the Order of Probation accepted by Mr. Ivey in writing on May 9, 2023.

I find that Charles Ivey failed to refrain from the use of controlled substances, consuming alcoholic beverages to excess; entering establishments whose primary business is the sale and drinking of alcoholic beverages; and submit to a urinalysis, blood test or provide forensic evidence as instructed by the Agent. On January 30, 2025, Mr. Ivey tested positive for amphetamine and methamphetamine.

I find that Charles Ivey failed to pay supervision fee and other fees as determined by the Department. Mr. Ivey was \$220.00 in arrears on the supervision fee, at the time process was issued.

I find that Charles Ivey failed to pay fines, restitution or other payments, and the service of any period of incarceration. Mr. Ivey was \$45.00 in arrears on the court-ordered fines, at the time process was issued.

South Carolina Department of Probation, Parole and Pardon Services
Summary of Administrative Hearing

I find that Charles Ivey failed to follow the advice and instructions of the agent; and comply with any further conditions imposed by the Department or its Agents. Mr. Ivey failed to comply with Condition 4 of the Conditions of Supervision for Domestic Violence Offenders, as agreed to in writing on May 9, 2023.

DOMESTIC VIOLENCE CONDITION 4: I find that Charles Ivey failed to refrain from possessing or consuming alcoholic beverages or use of any type of drugs unless otherwise prescribed by a physician; and to submit to alcohol and drug testing as instructed by the agent or treatment provider. On January 30, 2025, Mr. Ivey admitted to consuming alcohol and tested positive for amphetamine and methamphetamine. In addition, on that same date, he was in possession of alcohol and methamphetamine.

I find that the aforementioned violations constitute a willful failure to follow the advice and instructions of the supervising agent. I base these findings on the evidence and testimony presented at the Administrative Hearing.

Hearing Officer's Conclusions:

Mr. Ivey tested positive for methamphetamine, admitted to drinking alcohol, and was in possession of both items. During the hearing, Agent Overton testified that he and several deputies went to Mr. Ivey's residence after receiving an anonymous complaint about drugs being in the residence. Agent Overton testified that when he entered Mr. Ivey's bedroom, he observed two cans of an alcohol beverage next to the door frame and two more in the trash can. He also testified that he observed a tray on the floor next to Mr. Ivey's bed, and when he opened it he observed a white crystalline substance and Mr. Ivey told him that it was methamphetamine. In addition, he testified to finding pipes that were used to smoke methamphetamine. Mr. Ivey admitted that methamphetamine was in his bedroom, but claimed that it belonged to his girlfriend. This is now Mr. Ivey's third violation involving methamphetamine use. In addition, Mr. Ivey admitted that his mother's residence (where he resides) is a drug house. Therefore, I conclude, that based on the above, a partial revocation is needed to hold him accountable.

**South Carolina Department of Probation, Parole and Pardon Services
Summary of Administrative Hearing**

Recommendation of the State:

Partial revocation of three (3) years, with only credit for time served since January 30, 2025, and then continue on probation. Revoke all compliance credits earned to date and toll the probation. Recommend mandatory placement in ATU while incarcerated, if available. Must report to the Union County Office within the next business day of release. Must reside at a residential recovery program, as referred by the Agent, with zero tolerance for failing to comply. Must attend and complete a domestic violence intervention program, as referred by the Agent with zero tolerance for failing to comply. Zero tolerance for any future positive tests for illegal drugs. Restructure the court-ordered fines to begin upon reporting upon release.
