Good Morning,

I received a remittur dated May 22 2025. My appellate # is 2024-002017. My case is referred to the lower court or tribunal. Please inform me of where my case was sent to. I would like a name, address, and contact number, if possible. Also, I am asking for a copy of the judgment of the court that was supposed to be enclosed with the letter. I didn't have anything enclosed. Thanks for your help.

Sincerely,
Aswan Holmes
