MOTION FOR REINSTATEMNT

Appellant respectfully asks this court to reinstate his appeal before this court. The basis of this request is that the Appellant filed his initial brief and Designation of Matter to be placed in the record with this court on January 27th 2013. On January 30th 2013 Appellant filed a motion to correct a scrivner error on the notice of appeal. At the end of March 2013 Appellant contacted the court to see if the motion had been received. We were informed by the court that the paperwork had been received and

that was being processed. Since that time Appellant has had no contact from the court on this matter. On Thursday the 26th of September Appellant was informed the entire appeal had been dismissed. Upon going to the Clerk's Office and reviewing the file the Appellant found several notices to him that have never been received by the Appellant including a notice of dismissal and remittitur (Attached). Appellant asks that the matter be reinstated and the appeal allowed continue. Appellant had not received any notice on any matter since the conversation with the court in March of 2013.

Respectfully Submitted,
