Dear Mrs. Shealy:

I am contacting you as a last resort. I have tangible evidence and information which can be corroborated concerning the murder of a drug Dealer I was supposed to deliver Heroin too.

The individuals responsible are the same one(s) responsible for my current incarceration. These are known members of the "Bloods" street Gang "tray nine sec". I was the Drug mule for these individuals, until I was arrested in the van that was owned by the owner of the "Bloods" for trafficking Heroin ind# 2005-GS-46-3486 and 3487. York County.

The leader posted my bond in York County S.C. and told me my only option was to leave South Carolina, and threatened my life, because of the violent crime I witnessed of the murder of "G". The bonds man is Corey Wright from GJ's bonding Company of Columbia S.C.

I was tried in my absence because my life was threatened and was convicted for trafficking with a sealed sentence (25) years Honorable Lee S. Alford. The leader and the other gang member is currently in Prison on Unrelated Drug charges. The Murder-

is still unsolved. I have been convicted for drugs that belonged to the
Gang leader. I was only the mule. I hope by contacting you directly
I can finally get someone to receive and evaluate this information.
Thank you in advance for your time and, I hope that you can direct me
in the right direction. God Bless

Sincerely,

Duval M. Cooper # 340970
