Good morning Mr. Abee.

The transcript request was sent to Legal Eagle on March 21, 2025 to be produced. You should have received an email from Legal Eagle letting you know what the estimated cost was to produce the transcript. In reviewing the transcript request form, the email was more than likely sent to Beattie Ashmore since that is the email address that is on the transcript request form. Please let me know if you have any further questions.

Thank you,

Tammie M. Holmes
