APPEAL FROM Lancaster COUNTY
Court of Common Pleas

Paul M. Burch, Circuit Court Judge

Case No. 2025 - CP - 29 - 00182

Terry Clark

Appellant/

v.

Mahender Adonda

/Respondent.

MOTION

I am asking the Court for permission to order the transcript outside of the filing deadlines by Rule 207 of the South Carolina Appellate Court Rules.

The court hearing was conducted via Webex/phone call and from my understanding from the Clerk of the circuit court all documents and/or files would be visible to all parties through public records and all needed documents would be sent to appropriate parties upon receiving my proof of notice of appeal. I was today, upon calling, informed that the Clerk of court didn't have the transcript records as I should contact the Law Clerk over presiding judge, in which an email has been sent to Douglas Campbell. I was advised to contact the Court of Administration to ensure my request via online for the transcript has been received for the needed transcript. Since then, I have completed the request form online, confirmed by Court of Administration and emailed to Court of Appeals.

I sincerely apologize for my lack of knowledge in requesting and submitting the court hearing transcript before the deadline, but I am coming forth with all integrity, and honesty requesting the court to grant the permission of ordering and receiving the transcript after the deadline.
