Appellate Case No. 2024-000322

ORDER DENYING PETITION FOR REHEARING AND LIFTING STAY

After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.

By order dated May 8, 2024, the trial court issued a stay of enforcement of the judgment in this matter. The terms of the order provide that it will remain in effect until further order of the court or until the issuance of the remittitur from any appellate court. Having fully adjudicated the merits of the appeal and having

affirmed the decision of the lower court, the Respondent's motion to lift the stay is hereby granted.
