MOTION
to stay

I am requesting a motion to stay because I had surgeries during the time. I had no reason to not show up I just could, so I couldn't plead my case on the rent. I can pay but I can't not pay for the month I had not stayed in that home.

Emergency motion to stay

5/27/2025

I also had several surgeries back to back when my court date was originally scheduled. Palmetto community action called him and emailed him several times to submit payment because I was out of work due to my health issues and he would not accept payment. I thought during the bond to stay he had to accept payment. I have proof and documentation of my surgeries and hospital stays. So I am requesting an emergency motion to stay. I received the writ of Habeas Corpus after 5pm. 5/27/2025 so my 24 hours shouldn't be up.
